

Mapping Community Needs?

Zeevik Greenberg

Tel-Hai College

- **Community or Group Definition:**

- What is our community definition?
- What is the community territory and Borders? (for example: is that a farm? A neighborhood?)
- Who are the community members? (for example: Just women's; Kids in endangered; Lonely mothers in poverty; Minority Group)
- Why they part of the community?
- What is the characteristic of community members?
- What are the common features of the community?
- who are not part of the community? And Why?

- **Community Social Actors:**
- Who are the main actors in the community?
- Who are the recognized leader
- Who are the Covent leader – unseen social leader
- Who are the Social actors?
- Who are the Political actors?
- Inside political actors and outside political actors- what are their

- **Community Political Actors:**

- Who are the Political actors?
- Inside political actors and
- Outside political actors
- what are their interest's?
- Why how they can help as?
- What is their motivation? Need? It is correct to our needs?
- What is relationship? What is their relationship with the
- community leaders?
- How we can contact them? Recruit them to our project?

• **Community Situation Survey- Step 1: Central Actors Survey**

- How do you describe the community social state?
- How do you describe the community financial state?
- How do you describe the community employment state?
- What are the benefits in the community?
- What are the strengths in the community?
- Why do you think this is a good community?
- Why is it important to belong to the community?

- **Community Situation Survey:**

- How do you describe the community social state?
- How do you describe the community financial state?
- How do you describe the community employment state?
- What are the benefits in the community?
- What are the strengths in the community?
- Why do you think this is a good community?
- Why is it important to belong to the community?

- **Community Situation Survey:**

- What is the need to improved in the community?
- What is the needs that the community except and doesn't improved?
- what can give the community members more sense of belonging?
- What is the community missing in the financial, employment, social situation?
- What is your proposal to promote the community(future development in economic, employment, social, leadership, sense of belonging aspects) for the community member in the future?

• Community Situation Survey- Step 2: Community Open Survey or Close Questioner:

1 Access

How do you personally evaluate the importance of the following aspects of coordinated care?

How important is.....?	very important	important	so-so	less important	not important
The surgery hours of the doctor/service provider are flexible.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The doctor/service provider takes a proactive approach with me (far-sighted, preventative) and agrees check-up appointments or reminds me that an appointment is due.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
My doctor/service provider is available around the clock in case of emergencies.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The health insurer actively supports me.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The interfaces between GP, specialist and hospital are not perceptible to me. There are no problems at these interfaces in the case of referral from GP to specialist or admission to hospital (loss of information)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Example for Close Questioner

- **Community Survey: What are the findings?**

- What is the community power base?
- What is the Community needs?
- What is the different of needs between the leaders and the people?

- **Rank the community needs according to their importance:**

- What are the needs that everyone agrees on?
- What are the needs that are important to the community right now
- What are the needs that will strengthen the community?
- In what way will they strengthen the community

- **Step 3: Community Open Discussion?**
- What are the needs that are important to the community right now
- What are the needs that will strengthen the community on the future?
- **What will be the Community Project and who are the Community Partners to work on it**

Good Luck and Successful

- **Community Situation Survey- Step 2: Community Survey open Interviewa or Close Questioner:**
